Health & Community Services Complaints Commissioner Annual Report

The first hcsc annual report has been enthusiastically received by a broad range of people who are interested in our services. The style and appearance of the publication is exactly what we were looking for. It is colourful, interesting and consistent with the perception of hcsc we want to foster. Thankyou for your inspiration, technical expertise and timely delivery of a quality production.

I'm already excited about next year's report!

Yours sincerely,

Leena Sudano, Health and Community Services Complaints Commissioner. Leena Sudano, HSCC
